

2020 Pricing

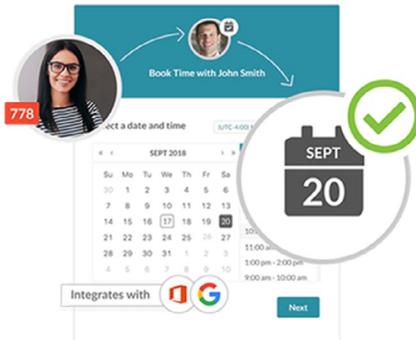

SharpSpring is implementing a **\$75/month increase starting in February 2020** – its first price increase in 2 years. For context, SharpSpring’s SMB licenses cost up to \$2,050, but through our agency, you receive a special discounted rate.

Ahead of this increase, 2020 is kicking off with *dozens* of new features big and small, plus *hundreds* of platform enhancements – all completely free.
